

Do you know that the NEA spends members' dues money on groups and causes that have nothing to do with education?

Do you know where your \$140 in National Education Association dues went in 2004/2005?

- Jesse Jackson's Rainbow PUSH Coalition*
- Gay and Lesbian Alliance Against Defamation*
- People for the American Way*
- Nearly half of NEA's 600+ employees & officers earned more than \$100,000 a year in salaries and allowances

NEA has filed a new government report showing just how the union spends its members' money. Many millions of dollars go to political campaigns and parties, liberal interest groups and other non-education organizations, political consultants, and high employee salaries. For more information, contact Ben DeGrow (303-279-6536, teacher@i2i.org). Or find out how to access the report yourself by visiting IndependentMindedTeacher.org.

Do you know how much of your NEA dues goes to political campaigns, liberal interest groups, and other causes you may not support?

It's well understood that the NEA is an arm of the Democratic National Committee. (Or is it the other way around?) But we wonder if the union's rank-and-file stand in unity behind this laundry list of left-to-liberal recipients of money that comes out of their pockets.
